## HELMBOLD'S

FLUID EXTRACT BUCHU,

A positive and Specific Remedy for diseases of the Stadder, Kidneys, Gravel and Dropsical Swellings This Medicine increases the powers of digestion, and excites the absorbents into healthy action, by which the watery or calcareous depositions, and all unnatural enlargements are reduced, as well as pain and inflammation and is good for men, women and children.

Indisposition to Exertion. Loss of Memory, Difficulty of Breathing. Trembling, Weak Nerves. Horror of Disease. Wakefulness. Dimness of Vision, Pain in the Back, Finishing of the Body, Hot Hands, Dryness of the Skin, Eruptions of the Face, Universal Laustinge.

These symptoms, if allowed to go on (which this Modi-sipe invariably removes), som follow— FATUITY, EPILEPTIC FITS, &c., in one of which the patient may expire. Who can say they are not frequently followed by those "direful dis-

INSANITY AND CONSUMPTION? Many are aware of the cause of their suffering, but none will confess. The records of the instance asylums and the melancholy deaths by consumption bear ample witness to the truth of the assertion.

The Constitution, once affected by organic weakness, requires the aid of modicine to strengthen and invigorate the system, which HELMBOLD'S EXTRACT OF BUCHU invariably does. A trial will convince the most sceptical.

In many affections possible to Fermies, the Extraorr fluority is unequated by any other remody, and for all semplaints incident to the sex, or in the DECLINE OR CHANGE OF LIFE,

No Family should be without it.

use worst disorders that afflict mankind arise from the corruption that accumulates in the Blood. Of all the discoveries that have been made to purge it out, none can equal in effect Helmhold's Compound Extract of San-64Parilla. It cleanes and repoyates the Blood, instills the vigor of health into the system, and purges out the humors which make disease. It etimulates the healthy functions of the body, and expels the disorders that grow and rankle in the blood. Euch a remedy that could be relied on has long been sought for, and now, for the first time the public have one on which they can depend. Our space here does not admit of certificated to show it as floors but the trial of a single bottle will show to the sick that it

has its virtues surpassing anything they have ever taken. Two tablespoonsful of the Extract of Sagranarilla added to a pint of water is equal to the Liebon Diet Drink, and one bottle is fully equal to a gallon of the Syrup of Baresparilla, or the decoction as usually made.

HELMBOLD'S ROSE WASH, An excellent Lotion for diseases arising from habits of dissipation, used in connection with the Extracts Buchu and Sarssparilia, in such diseases as recommended. Evidence of the most responsible and reliable character will accompany the medicines. Also explicit directions for use, with huminute of thousands living witnesses, and upwards of 30,000 unsolicited certificates and recommenda tory letters, many of which are from the highest sources, including eminent Physicians, Clergymen, Statesmen, &c. The Proprietor has never resorted to their publication in the newspapers; he does not do this from the fact that his articles rank as Standard Preparations, and do not need

to be propped up by certificates. The Science of Medicine, like the Dorle Column, should stand simple, pure, majestic, having Fact for its basis, Loduction for its pillar, and Truth alone for its Capital.

Both are prepared on purely scientific principles—in scuo—and are the most sative measures of either that can be made. A ready and conclusive test will be a comparison of their properties with those set forth in the following works: See Dispensatory of the United States.

Pottstown, 1895-Jan. 3.

This certifies that I have used the Phoenix Pectoral in my family, and I recommend it to the public as the very hest remedy for Cough and Colds that I have ever tried. One of my children was taken with a cold, accompanied with a Croupy Cough, so bad, indeed, that it could not talk and breathe. Having heard so much said about the Phoenix Pectoral, I precured a bottle of it. The first dose relieves the difficulty of breathing, and before the child had taken one-fourth of the bottle it was entirely well. Every family sho'd have it in their house.
